

WELCOME TO OUR SURF CAMP PROGRAM

Ocean Nomads has a well-known surf camp program in Tenerife that caters to surfers of all levels. The program is designed to provide a safe and supportive environment for beginners and intermediate surfers, while also offering more challenging waves for advanced surfers.

Our surf camp program includes accommodation and daily surf lessons with experienced instructors. The accommodations are located in a prime location close to some of the best surf spots on the island. The rooms are clean, comfortable, and equipped with everything you need to enjoy your stay.

During the surf lessons, the instructors will work with you to improve your skills, whether you're a beginner learning to catch your first wave, or an experienced surfer looking to improve your technique. They'll provide personalized instruction and feedback to help you reach your goals.
